Our regular monthly meeting was rescheduled this month (November, 2022), and held in the front yard of Steve, N5OMK.

Andrew (AD5HM) set up his portable grill on the sidewalk, and cooked bacon, eggs, sausage, and pancakes. Other members brought pigs in a blanket, fruit salad, grits, and sausage biscuits. N5OMK kept the hot coffee flowing.

El Presidente Doug, K5Bak, presented Angela (KI5SAG) with her ARRL Emergency Coordinator name plate for being the Winston County's new EC. Several XYs and even a pair of twin cuties showed up for a hot breakfast on a chilly morning.

In the photo at the left, N5MPC Andy offers AD5HM Andrew some advice on how to do a better job on the sausage. A total of 19 folks showed up to fellowship and dine al fresco this morning.
